TRUSTEES OF THE HAMILTON TOWNSHIP PUBLIC LIBRARY**

The public body cannot censor your speech during the public comment portion of a meeting, because it does not agree with you or like what you are saying. The public body also cannot prohibit comments based on subject matter so long as the comments relate to any issue that a member of the public feels may be of concern to the residents of the municipality.

The Public comment portion of a meeting of the Hamilton Township Public Library Board of Trustees shall be governed by the following rules.

1. There is time set aside at each public meeting which allows for the hearing of the public. The time for public comment will be noted on the Public Agenda, but its place in the meeting is at the discretion of the Board.
 2. Each person wishing to speak before the Board is required to add their name and address to the Public Comment sign up sheet at the start of the meeting.
 3. Each person speaking before the Board will be given four minutes to make their statement. There is no requirement that the Board answer any questions posed to them by the public. No member of the Public shall be allowed to hold over time and transfer it to another speaker.
 4. The time limit noted above may be changed in order to allow more members of the public to speak. Should some type of rebuttal comment be needed, the speaker will be allowed two minutes to make such a statement.
4. Library Director and Staff
- A. The Board shall appoint a qualified Library Director who shall be the executive and administrative officer of the Library on behalf of the Board and under its review and direction.

 - C. The Director shall provide an annual summary report to the Board and the Office of the Mayor.
5. Committees
- A. The President shall appoint committees of one or more members each for such specific purposes as the business of the Board may require. No committee shall be sufficiently large as to constitute a quorum of the Board.

**BY-LAWS OF THE

- B. Special committees for the study and investigation of special problems shall be considered to be discharged upon the completion of the purpose for which they were appointed and after their final report is made to the Board.
 - C. All committee reports are to be made in writing and conveyed to the Secretary for filing. Progress reports shall be presented to the Board at each of its meetings.
 - D. No committee shall have other than advisory powers.
6. General
- A. Unless otherwise provided by these By-Laws, an affirmative vote of the majority of all members of the Board present at a meeting (provided a quorum is then present) shall be necessary to approve any action before the Board. The President may vote upon and may move or second a proposal before the Board.
 - B. These By-Laws may be amended by a majority vote of all members of the Board, provided written notice of the proposed amendment shall have been served to all members at least ten (10) days prior to the meeting at which such action is proposed to be taken.
